Dear Mr. Hedberg:

Attached is an amendment from USMX, and an update from Joseph Cassetta. The USMX amendment proposes a change in the pit haul road for the Beavertail pit. This is a minor change with less than 1 acre of additional disturbance in the area already analyzed in the existing EA. Joseph Cassetta is just continuing his operation on the Black Ridge claims.

The acceptance letters to Horace Cornelius and Ronald Willden/J.L. Carroll Mineral Exploration are also attached.

If you have any questions concerning any of these operations, please contact Larry Gore at this office.

Sincerely,

Dale Ross
Acting Area Manager
